

COURSE SELECTION 2020

Year Nine

For all course information refer to our online curriculum document library:

<http://wiki.mtaspiring.school.nz/curriculum-documents>

Please submit your choices as soon as possible.

Your Name:	Possible Career:
------------	------------------

Compulsory courses:

The following courses are compulsory at Year Nine:

Integrated Studies (English, Mathematics, Science, Social Science), PE / Health

Optional courses:

The following options are available at Year Nine:

Students will cycle through eight termly options (two per term). Te Reo Māori is a compulsory option and a further seven should be selected from the following:

Art, Computing, Drama, Electronics, Financial Literacy, Food & Nutrition, Materials Technology, Music, Spanish, Spatial & Product Design, Te Reo Māori.

At least one option must be from the Arts (Music, Drama, Visual Art) and one from Technology (Computing, Electronics, Food & Nutrition, Materials Technology, Spatial & Product Design).

Future option choices:

In planning your options for Year 9 think about your future career options and the subjects that interest you and that you may like to take in Year 10 to 13. Use the chart below to plan your senior courses (refer to <http://wiki.mtaspiring.school.nz/curriculum-documents> for details).

Proposed Year 9 Course	Proposed Year 10 Course	Possible Level 1 Course
English	English	English
Mathematics	Maths	Maths
Science	Science	Option choices:
PE / Health	Option choices:	1
Social Science	1	2
Option choices:	2	3
1 Te Reo Maori	3	
2	4
