7VE Dunedin Trip

Last week 7VE went on an awesome camp to Dunedin. When we arrived we went to the Moana Pool and our whole class formed a giant chain down the hydro slide. Next we went to the Otago Museum and saw the beautiful butterflies in the Tropical Forest.

Then we were let loose in Discovery World! We also went to the dinosaur exhibit (see above) and used a variety of materials to dress someone up as a dinosaur. We had pizza for supper and after that we walked through the museum in the dark which was really scary! The next day we went to the Art Gallery and drew pictures of Antarctica (which we are studying at present). Camp was great fun! Ellie Russell and Kath Millis
