Today's assembly acknowledged and celebrated NCEA success in 2014. Table 1 shows our results from last year, which reflect the hard work and dedication of the staff and students in their pursuit of academic excellence. We are very pleased with NCEA Level 1 and 2 results, but we are always striving for improvement. The Level 3 results indicate that our students have performed well but we acknowledge that the University Entrance success rate seems out of kilter with our usual results and we have challenged ourselves to improve on our 2013 figures of 80% success in 2015. Table 2 outlines the improvement made in 'Endorsement' levels, which has and continues to be a school wide goal.

Pictured below are photos of our current students who have achieved Excellence and our 2014 Scholarship successes are pictured above. To these students, congratulations, but to every student who achieved personal success in NCEA last year, I say thank you, congratulations and aim for even greater success this year (more results feature on the back page).

In assembly we also welcomed back the Year 7 students from Pounaweia. Lauren Rimmer and Whitney Bennett spoke with real confidence on the group's behalf as they shared a slide show of their week at Pounaweia. (Please look for today's full NCEA power point and Year 7 slide show on the college website or Facebook page).

## UNIFORM MATTERS

A reminder that all girls in Years 7-11 are expected to wear the **MAC uniform kilt** from the start of Term 2.

Please note that these need to be ordered from Apparel Studio by the **end of February**. Apparel Studio have samples for you to try on to make sure that you get the correct size. A reminder that kilts should be worn at knee length, or slightly below the knee.

## Friends of MAC Student Directory

The 2015 Student Directory will be available within the next few weeks. This publication contains the student names and home phone numbers of all students whose parents have consented to have this information released to other parents.

This useful document was initiated by Friends of MAC in order to help parents keep their children safe by making it easier for parents to communicate with parents of other students at the college. If you have not already consented (enrolment form or personal request) and would like your child(ren)'s name included please contact the office.

## MACLIC

Students can borrow books 24/7 from the college eLibrary to read on their own device for FREE!

Visit [maclic.wheelers.co](http://maclic.wheelers.co) and register. Once the librarian has approved your account, choose among more than 150 popular or classic books for all teen-ages, reading ability and interest. Enjoy!

## FOCUS ON THE PORTAL

Thank you for all the positive comments which have been emailed in to us regarding our new Kamar portal. Thank you also for your constructive feedback. We are currently investigating the fact that it is necessary to have one password per child rather than one per family.

We are aware that there are a handful of parents who are experiencing difficulty accessing the portal and also some who can access one child, but not the other. In emailing student passwords to all MAC students it has also highlighted issues with a few student logins and passwords. Please continue to email [shersonm@mtaspiring.school.nz](mailto:shersonm@mtaspiring.school.nz) with any problems. All queries emailed to date have been noted and will be dealt with as soon as possible.

We apologise to those of you who were keen to get into the portal and have not yet managed to do so. It is still early days and it shouldn't take too long to fix these teething issues.

## ATTENDANCE CODES DISPLAYED IN PARENT PORTAL

A few queries have arisen regarding attendance codes within the parent portal. Although absences are coded according to the reason, (for example sickness, dentist appointment, overseas holiday), it is the Ministry of Education who decides whether the reason is justified or unjustified. On the Parent Portal all absences will be displayed as either a 'J' (justified) or 'U' (unjustified). Where supplied the office is still able to produce reports detailing the actual reasons for absence from school, but this is how it is shown on the portal.

In Ministry terms the only absence codes which are justified are doctor and dentist appointments, medical absences, exam study leave and bereavements. Even if you have called and explained why your child is late or absent the code will still display as 'unjustified' unless the reason for absence is amongst the above list.

This is a nation-wide Ministry directive.

## TEAM UP CONFERENCES

**Tuesday 10 March / Tuesday 17 March**

Bookings for "Team Up" conferences will open at 9.00 am on Monday 2 March. Detailed information regarding how to book will be published on our website shortly (with a link on the home page) but, for those of you who have used the booking system before, please go to [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) and use the school code: **3KEMS**.

The format for the conferences will be different this year as parents will be booking just one session per child and this will be with the Whanau teacher. The aim of these sessions is to show both student and parent how to get the very best out of using the Kamar portal.

## PADDLES UP KAYAK SLALOM COMPETITION

Well done to Madi Gainsford, Fiona Murray, James Watherston, Aden Cassaidy, James Suddaby and Sam Bastion who participated in this event which was hosted by MAC last weekend at the Hawea River course.

Paddles Up is a fun slalom which aims to introduce novice kayakers to the sport of slalom kayaking. There was a great turnout with 35 young kayakers from all over Central Otago. Saturday was a chance to meet everyone, practice on the course, get some coaching tips and have a river trip on the Hawea River. The Sunday competition involved an individual run, followed by a race in which novice paddlers were teamed with experienced kayakers for a run together through the course. Then there was a teams challenge involving river rescue tasks, and finally a short downriver sprint race. Notable results for MAC were Aden Cassaidy and James Suddaby who placed 1st and 2nd respectively in the novice category.

Contact Mr Cassaidy if you are keen to get involved in kayaking and join in with training and kayaking events.

## NZ Junior Swimming Champs

Congratulations to Jack Findlay who competed at this event over the weekend, placing in the top 10 in all of his 8 events (including 2 x 5<sup>th</sup> places and 3 x 6<sup>th</sup>). He managed to swim personal bests in nearly every race and broke the Otago 50m backstroke record for 10 - 11 year-old boys!

## Wetsuits Needed

Do you have any wetsuits in good usable condition that you would like to donate or sell?

The Outdoor Pursuits Department are in need of spring suits or steamers for our kayak programme. Any help would be greatly appreciated. Call Andrea 443 0499 ext 820.

## CENTRAL OTAGO SPORTS AWARD

nomination forms are available from the Sportshub.

## Otago Tennis Qualifying Tournament

Jake Nicholson, Alex Plimmer, Rory McLean and Noah Holmes travelled to Dunedin last Wednesday to compete in the teams' tournament. At this event. The boys played very well against some tough competition from teams 2-3 years older than them. The other coaches all commented on what a good

'little' team they are and encouraged the boys to keep playing together and aim for top spot in Year 12 or 13.

## CRICKET NEWS

Last Monday the MAC 1st XI won two 20/20 matches against Dunstan High School and Cromwell College making us the Central Otago champion.

In the first game the MAC bowlers bowled well to restrict Dunstan to 110 of their 20 overs. The batters timed the run chase perfectly and reached the Dunstan total for the loss of only five wickets. In the final against Cromwell we batted first and smashed the Cromwell bowlers to all parts of the field. After the 20 overs we had scored an impressive 140 runs. Cromwell were soon in trouble in their innings being 28 for 5 after ten overs. We eventually bowled them out for 62 runs. Ellis Meyer-Budge, Sean Webber and Connor Stuart all starred with the bat and Blair Underwood, Daniel Edwards and Gregor Findlay all bowled well.

The team have now qualified for the quarter finals of the Gillette Cup in the lower half of the South Island.

The 2015 sports calendar can be found on the MAC website:

## Introducing New Staff

### Miss Joanne Weggery, BA Eng / Art Hist, Dip Tchg

Miss Weggery recently moved from Dunedin to take up a position in the ever-exciting MAC English department. She has been teaching English, Art History and Drama for a combined number of 16 years in single-sex schools, co-educational schools in Dunedin as well as overseas. She enjoys paragliding (pictured in flight above), mountaineering, rock-climbing and running in her spare time and is also involved in the music department of the Wanaka New Life church.

It is a great pleasure for Miss Weggery to be at MAC; the team spirit at the college, combined with a philosophy of personal excellence, has made joining this team of talented educators and students very easy. Miss Weggery wants to continue to inspire her students with a love of literature whilst encouraging them to be active participants in their own learning. It is going to be a great year in Room 21!

### Mr Ed Waddington, BA Hist, Dip Tchg

The last time Mr Waddington lived in Wanaka the snow was a metre deep in town and Barrows was the place to be on a Friday night. He has been trying to get back here ever since and this year he finally managed it! This time he brought four children and his partner from Wellington with him as well.

Mr Waddington has been teaching for a decade (History, Social Sciences, English and Computing), mostly at Scots College in Miramar, Wellington.

He likes the "air of enthusiasm about the town" and the way it "percolates into the school making this a great place to work and live" and "I am really looking forward to the first decent ski season since 1995".

### Mr Craig Baily, BA

Born and raised in the Garden State of New Jersey, Craig has been teaching mathematics for over eleven years now, and has spent the last five at Western Springs College in Auckland.

Hiking the Milford Track in 2013 was all that it took to convince him that he had had enough of Auckland, and he began looking for a school in the Central Otago region. He was offered a permanent position at Wakatipu High School in Queenstown, and MAC last year. He chose MAC.

Before venturing into teaching, Mr Baily owned and operated a sporting goods store called Earth Core for nine years which specialized in surf, sk8, and snowboards.

He spends summers in Costa Rica.

### Petrina Duncan, MSc (Zoology), Dip Tchg

Miss Duncan is back this year at MAC to teach Year 9-11 Science and Year 12 Biology. She previously taught here during 2012, covering Ms Whyte's maternity leave. In the interim, Miss Duncan has taught Science / Biology at Cromwell College, tutored at Kip McGrath, worked at DOC, and spent a few months exploring the UK, Italy and India.

Miss Duncan has been a "Wanaka local" for more than three years and feels like this is a place she will always call home. "Wanaka has just the right mix of mountains, fresh water, clean air, awesome tracks and positive vibes to be what I consider the best place to live in NZ." She is excited about being back at MAC and looking forward to getting to know her students plus inspiring them to appreciate more about science and especially the biology of our living world.

She also plans to get involved with Team Green, supporting students who want to make our school environment a more sustainable one. "I've taught at other schools, which helps me to appreciate that MAC is a very special place of learning, mainly because of the positivity and friendliness of its staff and students. Keep appreciating what we've got here - it's a unique and wonderful thing."

### Mrs Jacky Toepfer - Sports Coordinator, BPhEd

Having graduated with a Bachelor of Physical Education from Otago University Jackie worked at Auckland Institute of Sport for several years before leaving to work in the travel industry - both in retail and education.

More recently she has studied nutrition and coaching to start a part-time career in endurance coaching and she is a Triathlon NZ registered coach. She has joined MAC as our new Sports Coordinator for all year levels.

Jacky has two children at MAC, Nick (now in year 11) and Jaime (in year 9).

Jacky's goals in her new job are:

- To increase sports participation by students in all year groups.
- To build strong networks around student sport by increasing staff involvement and building parent support.

What she loves about the job so far is the enthusiasm of the students at MAC and the (much needed) help from the staff.
