

MOUNT ASPIRING COLLEGE

Te Kāreti O Maunga Tititēa

Enjoy Success!

The items below should be purchased at the start of the year as they will be used for compulsory options during the year. Mount Aspiring College does not operate a stationery shop so students will need to purchase their stationery from a commercial outlet.

We work closely with Wanaka Paper Plus to ensure that the items required are available throughout the year. At the start of the school year you may prefer the convenience of using Paper Plus's online ordering option to select your stationery which can then be collected from the store, or delivered directly to your home.

The link for this is: <https://www.paperplus.co.nz/back-to-school>

All you need to do is to enter the school and the year level and the relevant items will be displayed (NB this option will not be available until January 2021)

Additional materials (outlined in the curriculum handbook - <http://wiki.mtaspiring.school.nz/curriculum-documents>) may be provided in class by individual college departments and these will be invoiced directly to you.

Digital Devices (BYOD)

It is now **compulsory** for students in all year levels to have their own digital device. There are a wide variety of compatible devices available on the market which should suit every requirement and price. When students get into the senior school some option subjects (eg Art, Music or Technology) will require higher specification machines so it might be worth taking this into consideration.

Please refer to the following link for more detailed information: <http://wiki.mtaspiring.school.nz/it-help/byod>
